Any Suggestions incorporated into the Subscription Service shall not contain any Customer Data.

8. **Confidentiality.** Each Party (as a Receiver) agrees to hold the other's (as a Discloser) Confidential Information in confidence, and not to use or disclose such Confidential Information other than in connection with the performance of its obligations hereunder. Upon notice to the Discloser, the Receiver may disclose Confidential Information if required to do so under any federal, state, or local law, statute, rule or regulation, subpoena or legal process.

9. **Indemnification.**

- a. **Indemnification.** Each Party (each, an "**Indemnifying Party**") agrees to defend the other Party (each, an "**Indemnified Party**") from and against any claims, demands, suits, or proceedings (each, a "**Claim**") made or brought by a third party against the Indemnified Party alleging that material provided by the Indemnifying Party (the BrainStorm Platform and BrainStorm Content, in the case of BrainStorm as the Indemnifying Party, and Customer Data, in the case of Customer as the Indemnifying Party) infringes or misappropriates the intellectual property rights of a third party or arising out of a failure by Customer to comply with Sections 5 and to indemnify the Indemnified Party from any damages finally awarded by a court of competent jurisdiction against the Indemnified Party or amounts agreed to in settlement in connection with any such Claim. The Indemnifying Party's obligations under this paragraph will only apply to the extent that: (a) the Indemnified Party promptly notifies the Indemnifying Party in writing of the Claim, provided that failure to give or delay in giving such notice to the Indemnifying Party will not relieve the Indemnifying Party of its obligations hereunder except to the extent that the Indemnifying Party demonstrates that the defense of such action is materially prejudiced thereby; (b) the Indemnifying Party has control of the defense and all related settlement negotiations relating to the Claim, provided, however, the settlement of any Claim will not

be made without advance written permission of the Indemnified Party, which will not be unreasonably withheld; and (c) the Indemnified Party provides the Indemnifying Party with the assistance, information and authority reasonably necessary to perform the above. In no event will BrainStorm have any obligation or liability under this paragraph for any Claim or action under any legal theory to the extent that the Claim or action is caused by, or results from: (i) Customer's combination, operation or use of the Subscription Service with software or other materials not supplied by BrainStorm, (ii) any alteration or modification of the Subscription Service by Customer, (iii) Customer's continued allegedly infringing activity after being notified thereof or after being provided modifications that would have avoided the alleged infringement, (iv) the actions or omissions of any person or entity other than BrainStorm, or (v) Customer's failure to comply with Section 6(h).

- b. **Remedy for Infringement.** Should Customer's right to use the Subscription Service pursuant to this Agreement be subject to a Claim of infringement or if BrainStorm reasonably believes such a Claim of infringement may arise, BrainStorm may, at its option and in its sole discretion, (i) procure for Customer the right to continue to access and use the Subscription Service; (ii) modify the Subscription Service to render it non-infringing but substantially functionally equivalent to the Subscription Service prior to such modification; or (iii) if the alternatives described in clauses (i) and (ii) of this paragraph are not commercially practicable, then BrainStorm may terminate this Agreement and refund to Customer any amounts prepaid by Customer for the Subscription Service for the unused portion of the Subscription Term.

REGARDLESS OF THE APPLICABLE GOVERNING LAW, CUSTOMER AND BRAINSTORM AGREE TO EXCLUDE THE APPLICATION OF THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS.
